Dear OIPE Staff,

I was just advised that the most recent divisional of my induction heating patent, No. 6,710,314, (B2), was just issued. Please be advised that my name is misspelled on the document that appears when a patent-number search is executed on the USPTO.gov website (and presumably on the actual patent paperwork, as well).

The correct spelling of my name is

Edward A. Riess (with "i" before "e", the original German-letter order).

Can this be corrected in all permanent records?

Please note that I have submitted this information by Email to the USPTO website and have received the following reply:

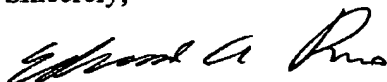

"If you have any further questions or if you require additional information, please call the USPTO Contact Center at 1-800-786-9199 or (703) 308-4357 and reference the following number: 1-2004773

[THREAD ID:1-14HA3]"

Please also note that the assignee is:  
NEXICOR, LLC  
422 Wards Corner Road, Suite B  
Loveland, OH 45140-6950  
Nexicor Phone: 513-583-4300

Thank you for your attention to this correction.

Sincerely,

Ed Riess
